

Prayer of a Firefighter's Spouse

Heavenly Father, I'm asking you to have special care today,
to protect my firefighter as he fulfills his duties.
I ask you to guide his thoughts and actions, keep him free from fear, help him work with
added care so we will find him safely home.

Please show me the way to be a strong support when he has had a 'bad' day; an
encourager when he needs to know it is worth it.
And bless me with your comfort and strength when my heart grows anxious whenever I
hear the sirens in the distance.

I thank you Lord for giving me this firefighter with whom I share my life.
Bless him as he shares the same goal you have – to keep safe from harm those you love,
I pray that as he follows in your ways, you hold him in your care, and remind him that he
too is loved.

Amen.
